Itinerary

The journey begins in Barnaul or Gorno-Altaysk, where you should get to on your own in the morning of the first day of the programm. We are ready to help with the purchase of tickets, if necessary, leave a comment in the application.

Day 1

After meeting at the airport you will travel to the capital of

the republic of Altai — Gorno-Altaysk. Here the excursion to the National Museum of the Altai Republic is waiting for you. Among the most famous archaeological artifact there is the mummy of Siberian Ice Maiden, aslo known as the Princess of Ukok. It was discovered at the Ukok Plateau in ice burial mound near the border of Mongolia, China and Kazakhstan.

After the acquaintance with the museum exhibition you

will move to Belokurihe, where you will check in a hotel and have dinner.

The route length — 130 km from Gorno-Altaysk or 380 km

Barnaul by bus, 4 km on foot.

Day 2

After breakfast you start the day with a visit the only

woman blacksmith in all Siberia. She will tell you about her job and peculiarities of blacksmithing, after that you will have a chance to try it by yourselves.

After lunch you will go skiing around the snow white lands.

At the evening a master class of making traditional Russian dumplings is waiting for you. Then you will have dinner and make photos in national clothes.

Day 3

Today you will travel further into the mountains, passing

by snow white hills, seeing turquoise rivers and unfrozen lakes. You will make stops in the most picturesque places to admire this unique Altai landscapes.

During the lunch you will taste the local specialities. Then

you will participate in a masterclass of making healthy Siberian herbal tea from local ingredients. In the evening you will arrive to the tourist base, located on the top of the Seminskiy mountain pass and gave dinner.

The route length — 230 km by bus, 7 km on foot.

Day 4

Today you will travel to the Karakol valley along the

famous Chuysky tract, which is in the top 10 of most beautiful roads in the world, according to National Geographic. Karakol Valley is considered as a sacred place by local people. There are hundreds of ancient archaeological sites, such as burial mounds and rock drawings of various historical ages. Even nowadays residents of the valley do ceremonies in the places of power and worship the spirits of Altai.

Accompanied by the local guide you will learn more about ancient traditions and rituals of Altai nomads. Lunch will be served in a traditional rural house of Altai people. Afterwards you will have a great chance to enjoy Altai throat singing concert. It is a unique cultural and esoteric tradition of Central Asia, which is included in the UNESCO Intangible Cultural Heritage List. In the evening you will return to the base, have dinner and rest.

The route length — 40 km by bus, 8 km on foot.

Day 5

After breakfast you will drive snowmobiles to Sarlik

Mountain through snowy lands and mountain slopes. This is the highest point of the Seminsky mountain range (2507 m high). For lunch you will return to the base.

In the afternoon you will go skiing in the vicinity of the

base enjoying amazing mountain landscapes. In the evening you will have dinner and visit the Russia banya (the local sauna with about +80 -100°C temperature).

The route length — 27 km by snowmobiles, 6 km on foot.

Day 6

In the morning you will continue travelling along the

Chuyskiy trakt. On the way you will stop and walk to the Blue lakes, the small ponds on the bank of the Katun river, which does not freeze during winter time. The cold powerful springs hits at the bottom of the river. They give so much water, that the lake does not freeze at 40 degrees (Celsius) below zero.

In the evening you will arrive in the hotel, located on the

bank of the Katun river, have dinner and visit a banya.

The route length — 200 km by bus, 10 km on foot.

Day 7

Today you will visit the picturesque mountain Chemal

village. It is famous the steep rocky island of Patmos, connected to the river bank by a long suspension bridge. Here you will see the Orthodox Church of St. John the Evangelist, as well as an image of the Virgin and Child carved in the rock near the temple.

Walking by the "goat trail" along the Katun River's stream

you will head on to Chemal hydroelectric power station, built in 1935, near which "The White Fang" movie by Jack London's novel was shot. At the end of the day a hiking route to the Che-Chkysh Valley of Spirits is waiting for you. Then you will return to the hotel and have dinner.

The route length — 80 km by bus, 12 km on foot.

Day 8

After breakfast in the morning you will depart form the

hotel to the airport of Gorno-Altaysk and Barnaul.

Accomodation at the trip

From the first to the third days of the tour you will stay in **Lesnaya Skazka Park Hotel**. In a standard room — two/three beds, a table, chairs, WC and a shower. There is a deer farm, a swimming pool, a volleyball court, and a Russian bathhouse on the hotel's territory (extra charge).

The next three days you will spend at **Dinamo tourist base** located on the top of the Seminsky pass, in a picturesque cedar forest. You will be accommodated in comfortable, heated cottages. Each cottage consists of two sections with double/twin room, as well as WC and shower room shared on the section. There are a cozy cafe, a Russian bathhouse (sauna), and recreation area with barbecue on the base territory.

For the last 2 nights of the trip you will stay at **Klever Resort hotel 4***, located on the banks of the Katun river, surrounded by majestic mountains. The complex covers an area of 10 hectares and has a gentle access to the river. You will be accommodated in comfortable twin/double rooms equipped with a TV, a refrigerator, and a bathroom with a hairdryer. The resort area includes a restaurant with Russian and European cuisine, a bar, conference hall with a capacity of up to 100 people, a SPA center, a bathing complex on the bank of the Katun river and children's playground.

FAQ
