

Heli-ski in Kamchatka

Ski tour with helicopter airlift

Go skiing among the untouched natural landscapes, that can be reached only by a helicopter. Feel a real freedom while riding down the wildest snow slopes. Go down to the crater of an active volcano and feel the greatness of Kamchatka nature at the coast of the Pacific ocean.

Experiences you'll have

Ski holidays in Kamchatka

In contrast to the usual off-trail skiing, heli-skiing is downhill skiing reached by helicopters. The skiing areas are picturesque untouched territories of Kamchatka, the most remote peaks and long descents, which are hard to reach in another way.

You will go skiing down the slopes of the mountains, as well as to the coast of the Pacific ocean, to the crater of an active volcano and to the wild hot springs

Itinerary

The journey begins in Petropavlovsk-Kamchatsky, where you should travel to on your own. We are ready to help with the purchase of tickets, if necessary, leave a comment on the application.

Day 1

You will be met at the airport and taken to the guest house

in Petropavlovsk-Kamchatsky. Here you will meet the guides, discuss the program and have lunch. Then you will be get all necessary instructions according the safe behaviour in the mountains and will practice with avalanche equipment. In the evening you will have dinner and rest in comfortable rooms.

Day 2

Heli-skiing in Kamchatka mountains is waiting for you

these days. After breakfast you will be taken to the helipad in Nikolaevka village, from where you will fly to the mountains by Mi-8 helicopter. The skiing area is determined both by the senior guide and the pilot according to the current weather and snow conditions.

At midday you will have lunch outdoors at the foot of the

volcano or on the Pacific coast, then you will continue skiing. In the evening you will return to the city, have dinner and relax in the guest house.

Day 3

This day is intended for rest, but in case of bad weather in

the previous days, it can be used as a spare day for skiing.

Today you can enjoy snowmobiling or dog sledding in the

mountains. Also you can try surfing in the Pacific ocean or have some additional program of heli-skiing, backcountry or freeride

with snowmobiling. All these options are paid additionally.

Day 4

After breakfast you will move to a country lodge with a

thermal pool, situated in the Paratunka resort area. Then you will go to the mountains with the Mi-8 helicopter for heli-skiing. You will stop for lunch on the coast of the Pacific ocean or at the foot of the volcano.

After a busy day we invite you to enjoy the relaxing

massage, dinner and hot springs under the open sky.

Day 5

After breakfast and morning yoga practice the helicopter

will take you to the next start point for heli-skiing. The plan for the freeride areas is determined both by a senior guide and a pilot, according to the weather, snow conditions and avalanche danger.

In the evening you will come back to the hotel for dinner

and relaxation in the thermal pool.

Day 6

Today you will have a free day and can spend your time as

you wish. After breakfast you can do morning exercises or practice yoga.

For an additional fee you can go dog sledding, have a

snowmobiling tour to Cape Mayachny or try surfing in the Pacific ocean.
