

# New Year in Karelia

Active winter tour

We invite you to spend the New Year holidays in Karelia in the company of the same outdoor enthusiasts. Dog sledding tour, snowmobiling and snowshoeing across the snowy pine forest — these 3 days of bright adventures will give you energy and a great mood for the year ahead!

# Experiences you'll have

## New Year holidays in Karelia

Just imagine: no pre-holiday fuss, city traffic jams and urban noise. Instead of this, you will spend 3 days surrounded by a snow-covered coniferous forest, enjoying the silence and beauty of Karelian nature, as well as trying different types of winter outdoor activities.

This program is perfect for celebrating the New Year in a company of friends. Snowmobiling and dog sledding, snowshoeing in the woods, various excursions and tasting of traditional Karelian cuisine are waiting for you.

### Highlights of the journey:

you will see old wooden chapels and learn about folklore traditions, visiting the authentic Veshkelitsa village  
visit the "Kivach" Nature Reserve and admire the beauty of the ice-free waterfall  
learn how to drive a dog team, go snowmobiling and snowshoeing  
visit "Three bears" zoo complex where you will meet bears, moose, raccoons, lynxes, wolves and foxes  
taste Karelian cuisine: kalitki (traditional pastries), cream fish soup, as well as prepare your own traditional cranberry sauce and learn how to smoke fish

If you already have plans for the New Year holidays, you may choose similar 3-day programs with arrivals from late December to mid-March:

["The Kizhi ornaments"](#) — snowmobiling, dog sledding and excursion to Kizhi island by hovercraft

["Karelian weekend"](#) — snowmobiling, dog sledding and excursion to the Kivach waterfall, the ancient Girvas volcano and ancient Karelian villages on lake Sandal

## Itinerary

The journey begins in Petrozavodsk, where you should get to on your own. Meeting the group on the first day of the tour — at 08:55 am at the railway station of Petrozavodsk (by the time of arrival of the train №018 from Moscow). We are ready to help with the purchase of tickets, if necessary, leave a comment in the application.

### Day 1

#### After meeting at the train station you will have breakfast

in the restaurant and go on a sightseeing tour of Petrozavodsk. You will see the main sights of the capital of Karelia, learn interesting facts from the history of the city. You will walk along the embankment of lake Onega, where a collection of modern sculpture is located.

#### Then you will go by minibus to the "Kivach" Nature

Reserve. You will see the famous Kivach waterfall — one of the largest flat waterfalls in Europe, which does not freeze in winter. Then you will walk through the arboretum of the reserve, which has 43 species of trees and shrubs. Among them you will see the famous Karelian birch with a curved trunk and an original wood texture that resembles marble in its pattern and strength.

#### A visit to the sled dog kennel will be the next point of the

program. You will get acquainted with affectionate and playful huskies, and then do dog sledding across the snow-covered forest. On the route there will be small descents and ascents.

#### After the completion of the route for you will be provided a

hot lunch with traditional dishes of the Northern cuisine. Then you will go for a walk through the forest on snowshoes and admire the

Karelia

beauty of the winter Karelian nature.

**In the evening you will arrive to the tourist base, located**

on the picturesque lake Syamozero, stay in your rooms, have dinner and get ready for the New Year party. At 11 pm a festive dinner with an entertainment program will begin.

**The length of the route is 10 km by dog sled, 2-3 km by**

snowshoe and 120 km by minibus.

**Day 2**

**After breakfast you will be given snowmobile driving**

instructions and take some training sessions. Then you will start circular snowmobiling route along the forest track.

From lake Syamozero you will drive to the village of Veshkelitsa, where you will get acquainted with the local traditions and enjoy a performance of a folk group. The hospitable hostess will treat you to national Karelian cuisine.

In the evening you will return to the base, have dinner and go to the sauna.

**The length of the route is 80 km on snowmobiles.**

**Day 3**

**After breakfast you will visit the "Three bears" zoo**

complex, located in a pine forest on the lake bank. Bears, moose, raccoons, lynxes, wolves, arctic foxes and other animals live in aviaries here. You will learn about the habits of animals and even be able to feed them.

**Then you can go snowshoeing through the snow-covered**

forest and have a picnic. The guide will give you a master class on smoking red fish and making traditional cranberry sauce. At the end you will have a tea party with cloudberry jam.

Then you will return on snowmobiles to the base, have some rest, and then move to Petrozavodsk. You will have dinner in the restaurant, where you will taste traditional Pomeranian cuisine. Then you will be taken to the station for the evening train.

**The length of the route is 70 km on snowmobiles, 3 km on**

snowshoes, 70 km by minibus.

## Accommodation at the trip

You will stay in comfortable double or twin rooms at "**Alekka**" tourist base. It is located 70 km from Petrozavodsk, on the bank of the picturesque lake Syamozero. Your room will have two single beds (or one double bed and a sofa), a flat-screen TV, a wardrobe, a chest of drawers, a coffee table, and a bathroom with a shower. The room has heating, and the vestibule and bathroom have underfloor heating. On the territory of the base there are a cafe and a sauna.
