

# Two days, two islands

Summer weekend tour to Karelia

Not sure how to spend a weekend? Just one night by train from Moscow or St. Petersburg, and you will find yourself in the lake region of the Russian north – Karelia. There you will get acquainted with two islands – Kizhi and Valaam, each of which is unique in its own way. Famous artists and writers came here in search of inspiration. We invite you to visit these places too!

# Experiences you'll have

## Two-day trip to the must-see places of Karelia

You will visit two unique islands, Kizhi and Valaam, known far beyond Russia. An experienced guide will tell the history of these places, you will take a hydrofoil ride on lakes that look more like seas, and at the end of the day just relax from the bustle of the city in a hotel on the shores of Onega lake.

We can arrange this program in an individual format on dates convenient for you. See more in "Common questions".

Just for 2 days of the tour you will:

- admire the architectural ensemble on Kizhi island, which is a UNESCO World Heritage site
- see the beautiful and majestic monastery, built on the Valaam island
- make a ride on two of Europe's largest freshwater lakes
- visit the cozy town of Sortavala near the Finnish border
- have a guided tour around Petrozavodsk and learn the history of the capital of Karelia
- relax in a spa hotel with a view of Onega lake

**We accept bookings for groups of 6 or more**

**Note:** for your group of two or more people, we can organize an individual program at any days suitable for you. See details in the "Common questions".

## Itinerary

The journey starts at 7:50 am in Petrozavodsk, where you should get to on your own (see more details in "Common questions"). We are ready to help with ticket purchasing. If necessary, leave a comment in the application.

### Day 1

**After meeting at the train station in Petrozavodsk, you will**

have breakfast in a restaurant. Then you will be transferred to the embankment of Onega lake, from where you will go to Kizhi Island by hydrofoil (1,5-hour trip).

**On the island you will have an excursion to the Kizhi Open-**

air museum of wooden architecture. You will see the 19th-century village and the world-famous wooden church ensemble which is a UNESCO World Heritage site. As the legend says, the church was built with one axe (according to another version - without nails) by Nestor the carpenter. The carpenter threw the axe into the lake so that no one could repeat the same magnificent structure.

**After that you will have lunch and free time on the island.**

Then you will return to Petrozavodsk, where the city tour is waiting for you. You will get acquainted with the history of the capital of Karelia, visit its major places of interest and take pictures with the monument to Peter the Great.

**In the evening you will be taken to a spa hotel, where you**

will have dinner and rest.

### Day 2

**Today you will have an early rise: at 6 am you will be**

driven to the Sortavala town (250 km). There you will have breakfast, and then take a hydrofoil to Valaam Island.
