On your way to Shulgan-Tash Nature Reserve, you will visit

kumys farm to taste this traditional Bashkir drink; kumys is a fermented dairy product made from mare's milk. You will have lunch enroute.

Shulgan-Tash Nature Reserve was founded for protection

of the local population of wild bee, which has been cultivated since ancient times by the local Bashkir people. You will visit the Golden Bee Museum and an existing bee apiary. You will have an opportunity to taste wild bee honey (at additional cost).

Then you will visit the Kapova Cave which is a unique

monument of the paleolithic epoch. In the evening, you will return to the Starosubkhangulovo village and have dinner.

The route length — 240 km by car

Day 3

Kaga village is a well-known horse-breeding center in

Bashkiria. In the morning, if you wish, and for an additional fee, you can take a horse ride around the area.

Then you will take part in a workshop of creating

traditional souvenirs. In the afternoon you will go to the Bannoye Lake which is considered to be the deepest one at the Republic of Bashkortostan. In the evening you will be accommodated in a hotel. You can have dinner in the hotel cafe at additional cost.

The route length — 135 km by car.

Day 4

For the first half of the day, you will enjoy leisure time on

the Bannoye Lake. If you wish for an additional fee, you can climb to the observation deck, visit the nursery "White Doctor" or the Museum of Military Glory and taste honey in a honey shop.

In the afternoon you will move to the Talkas Lake. On the

way you will stop at a kumys farm as well as visit the site where jasper rock outcrops can be observed. You will also visit the first Bashkirian capital — Temyasovo village. In Temyasovo you will have an excursion to a historical-cultural centre. If you wish, you can also visit the museum of local history and private cheese factory at additional cost.
